STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, California, 95834, (916) 574-8900 or (888) 370-7589. To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed

to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

Student Loan: If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds pursuant to CEC § 94909 (a) (11). If the student defaults on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. 2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

Diva Beauty School and all of its programs, are not accredited by an accrediting agency recognized by the United States Department of Education pursuant to CEC § 94909 (a) (16). A graduate of our certificate program will be eligible to sit for the applicable licensure exam in California and become licensed as required for the applicable profession. UNEXCUSED ABSENCES

Calculated by the clock hour, all absences and/or tardiness are considered unexcused. Excessive absences and/or tardiness constitute reason for disciplinary action (see

Satisfactory Academic Progress Policy). Students should notify the Administrative Office, supervising instructor, and receptionist of expected absences in advance by completing and electronic Courtesy Form at the reception desk. In the event of an excused unexpected (illness, emergency), students should call the front desk as soon as possible.

LEAVE OF ABSENCE POLICY

Leaves of Absence can be granted in cases of emergency or family or medical problems with doctor notification, which makes attendance impossible. Leaves of Absence will be granted in the case of family, pregnancy or new mothers. A leave of absence will be permitted with a letter from the student's doctor. Students should talk with their school director to determine if they are eligible for a leave and what impact taking a leave has on the program. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence. The student needs to provide an estimated return date. The school director has to approve the leave. Students will resume training as they return to school scheduled will be given. Leaves of absence must not exceed a total of 180 days in any 12-month period. Students who would like to shorten their LOA must contact the school director prior going back. If the student does not return to the school at the expiration of an approved LOA, all refunds will be calculated as the student's last day of attendance. Refunds will be issued within 30 days.

MAKE-UP HOURS

Students who missed scheduled hours due to absences are encouraged to attend the Make-Up hours schedule to make up missed hours.

TARDINESS

In order to prevent disruption of on-going theory classes, students must arrive and clock in on time. Class starts promptly for all programs.

MAKE-UP WORK

Students must complete all required assignments and tests. If a student is absent on test day, the test must be made up as soon as student attends school again.

PROBATION, DISMISSAL AND APPEAL POLICY

Diva Beauty School maintains academic, attendance, and conduct standards that students are required to meet throughout their enrollment. Failure to meet these established standards may result in probation or dismissal as described below.

Academic Probation

A student will be placed on academic probation when the student fails to meet the Institution's Satisfactory Academic Progress (SAP) requirements during an applicable evaluation period.

The specific reasons for academic probation are:

- Academic Performance: The student's academic performance falls below 75%.
- SAP Attendance: The student's cumulative SAP attendance rate falls below 66.67%.

A student placed on academic probation will receive written notice identifying the specific SAP requirement that was not met, the actions required to return to good academic standing, and the beginning and ending dates of the probationary period.

A student will return to good academic standing when, by the end of the probationary period, the student:

- Achieves academic performance of at least 75%; and
- Achieves a cumulative SAP attendance rate of at least 66.67%.

At the end of the probationary period, a student who has not met the applicable SAP requirements may be dismissed in accordance with this policy.

Conduct Probation

A student may be placed on disciplinary probation for violating the Diva Beauty School's published Sexual Harassment and Conduct Policy.

The School's Sexual Harassment and Conduct Policy, located in this Catalog, identifies the conduct standards applicable to students.

A student placed on disciplinary probation will receive written notice identifying the specific conduct violation, the corrective actions or conditions required, and the beginning and ending dates of the probationary period.

A student will return to good standing from disciplinary probation when the student:

- Corrects the conduct that resulted in probation;

- Completes the applicable corrective actions or conditions imposed by the Diva Beauty School; and
- Complies with the Diva Beauty School's conduct requirements throughout the probationary period.

Probationary Period and Written Notice

The probationary period for academic or disciplinary probation will be one evaluation period. The probationary period will begin on the date specified in the written probation notice and will continue through the end of the next applicable evaluation period.

Written notice may be provided to the student in person, by email, or by mail using the contact information maintained in the student's school records. Diva Beauty School will maintain documentation of the probation notice.

At the end of the probationary period, the Diva Beauty School will evaluate the student's academic, attendance, or conduct status, as applicable, to determine whether the student has satisfied the requirements for return to good standing or is subject to dismissal under this policy.

Dismissal

A student may be dismissed from Diva Beauty School for one or more of the following reasons:

1. Failure to Meet Academic or SAP Requirements

The student fails to meet the minimum academic performance requirement of 75% or the minimum cumulative SAP attendance requirement of 66.67% following the applicable probationary period.

2. Failure to Correct Conduct Violations

The student fails to satisfy the conditions of disciplinary probation or commits an additional violation of the School's published Conduct Policy during the probationary period.

3. Serious Conduct Violations

Depending on the nature and severity of the violation, the Diva Beauty School may dismiss a student without prior probation for serious conduct violations specifically identified in the School's published Sexual Harassment and Conduct Policy, including:

- Sexual harassment or harassment;
- Threatening, abusive, or violent behavior;
- Serious drug or alcohol violations;
- Serious weapons violations;
- Theft;
- Serious academic dishonesty; or
- Time-clock fraud.

The School will provide the student with written notice of dismissal identifying the specific reason or reasons for the dismissal. Written notice may be provided to the student in person, by email, or by mail using the contact information maintained in the student's school records.

Appeal of Dismissal

A student who is dismissed may appeal the dismissal. The appeal must be submitted in writing to Diva Beauty School and may be delivered by mail, email, or hand delivery.

Students may submit their appeal by email to **divabeautyschool@gmail.com** or by mail to:

**Diva Beauty School
Attn: School Director Quyen Le
2298-A Quimby Road
San Jose, CA 95122**

Written notice may also be hand delivered directly to Diva Beauty School. Students should contact the School Director for information regarding the appeal process.

The appeal must identify the basis for the appeal and provide any supporting information or documentation required by the Diva Beauty School.

If an appeal is approved, Diva Beauty School will specify in writing the conditions that the student must satisfy for reinstatement or continued enrollment. Depending on the reason for dismissal, conditions may include:

- Achieving academic performance of at least 75%;
- Achieving a cumulative SAP attendance rate of at least 66.67%;
- Satisfying specified conduct requirements; or
- Completing corrective actions identified in the written appeal decision.

A student who successfully satisfies the applicable conditions of an approved appeal or reinstatement decision will be returned to the student status specified by Diva Beauty School.

Diva Beauty School will maintain documentation of probation, dismissal, appeals, and reinstatement decisions in accordance with applicable record-retention requirements.

TERMINATION

Termination applies to any student absent more than 30 consecutive calendar days without being on an approved leave of absence.

SATISFACTORY ACADEMIC PROGRESS (SAP)

Satisfactory Academic Progress (SAP) applies to all students attending Diva Beauty School regardless of the course enrolled in-Person or Online Distance Learning will be evaluated using the criteria of the SAP on campus:

To meet standards for Satisfactory Academic Progress the student must:

- Maintain a Cumulative Grade Point Average of “C” of 75% or better at the end of each evaluation period on all tests, work and other required course work.
- Maintain a minimum cumulative SAP attendance rate of 66.67%. This SAP standard measures whether the student is progressing at a pace that allows completion within the applicable maximum timeframe. The 66.67% standard does not mean that a student may complete only 66.67% of the program. Students must complete 100% of the required clock hours and curriculum requirements for their enrolled program before the program is considered completed.
- Complete the program within the maximum time frame of not more than 150% of the normal length of time required to complete the program.

Official Leaves of Absence, withdrawals, and other official interruptions of training are not computed in the maximum time frame.

Course incompletes and noncredit remedial courses do not apply to SAP policy at the school and will have no effect on satisfactory academic progress.

TRANSFER HOURS AND THEIR EFFECT ON SAP

With regard to the calculation of attendance rates or cumulative grade point average as they relate to assessment for compliance with standards for Satisfactory Academic Progress, a student’s transfer hours will not be counted as scheduled or completed hours. SAP evaluation periods are based on actual contracted hours at the school. However, coursework taken at another institution that is accepted and officially transferred will count towards the 150% maximum timeframe calculations on both hours scheduled and hours completed.

ACCESS TO FILES AND RETENTION OF STUDENT RECORDS

Adult students and parents/guardians of dependent minor students have the right to inspect, review, and challenge information contained in the student records. Diva Beauty School would require written consent from the student and/or parent before educational records may be disclosed to any third party, with the exception of accrediting commissions or governmental agencies so authorized by law. Before publishing directory information such as name, address, phone number of student, date and place of birth, major field of study, dates of attendance, degrees and awards received, date of graduation from previous school, the student or guardian has a right to

deny authority to publish one or more of these items. However, a staff member must be present during the process to provide clarification and/or answers related questions raised during the review of the student's file.

Educational records are defined as files, materials, and documents that contain information directly related to the student's period of enrollment and are maintained by the institution. Diva Beauty School will keep these records for five years from the last day of attendance. After this period, all records may be destroyed in accordance with state law. Transcripts are kept permanently pursuant to CEC § 94900 (b) in conjunction with 5 CCR § 71930 (b) (1). Students are not entitled to inspect the financial records of their parents.

JOB PLACEMENT

Diva Beauty School does not guarantee placement to any student. However, limited job placement assistance is provided to graduates at no additional charge. Students that failed the exam are encouraged to return to Diva Beauty School for assistance and guidance for subsequent attempts to pass the exam. Placement assistance is provided by reviewing the listings of salons seeking employees, their job requirements, salary and other pertinent information. Students who request Placement Assistance are referred to the Salons seeking employees.

STUDENTS SERVICES

Housing statement: The institution does not have dormitory facilities or on campus/off campus housing under its control. The institution does not have any responsibility to find or assist students in finding housing. Within a 5 mile radius of the school, there is adequate housing ranging from \$2,000 to \$2,800 a month for a one-room apartment.

Parking: There is adequate parking in and around the school.

LIBRARY AND LEARNING RESOURCES:

Diva Beauty School has no formal library. A formal library is unnecessary to meet the instructional needs of students. General library materials are not compatible with the objectives of this program. The essential elements for completion of our programs are the learning of specialized knowledge and hands-on-skills. There is a designated section (learning resource library) available for students to access supplementary physical instructional resources and nonphysical resources online through computer. Available to students are: additional hard text books copy, books, magazines on hairstyling, nail care, skin care, health and wellness and online instructional materials. Resources are available to students at any time during school hours upon request.

Students may check-out reference materials by submitting a request to their instructors or school director.

Records: Each student is required to maintain an individual time card, which when used properly, records a period of attendance and applied effort on a daily basis. Student Daily Records are the property of the Institution and are to remain on campus.

Students are required to “clock in and out”, including upon arrival, and departure time.

Lunch: Students who attend class for over a 6-hour period are required to take a 30 minute lunch break. Students are allotted a 30 minute lunch period. Students must notify the floor instructor and reception desk if they deviate from their scheduled 30 minute lunch, i.e. later or earlier than scheduled, extended beyond 30 min., etc. Failure to clock out or back in from lunch could result in loss of attendance hours for that period. Repeated instances of failure to clock out for lunch may result in a written counseling form, suspension and/or requirement to meet with School Director.

Breaks: Students are allowed up to two 15 minute breaks per seven (7) hour day. Morning break is scheduled between 9:00 and 9:30 a.m. Afternoon break is unscheduled, however to be taken between 2:30 p.m. and 3 p.m. Breaks are not to exceed 15 minutes each. Students are not required to clock in and out during regular breaks if they do not exceed 15 minutes and they remain on campus; however, if a student needs longer than 15 minutes, or needs to leave the campus grounds during a break (or any other time), they **MUST** clock out. Failure to clock out and back in under these circumstances will result in disciplinary action and a loss of attendance hours for that period of time. Leaving campus while on the clock constitutes as academic dishonesty and could result in suspension and discipline up to and including dismissal. Morning/Evening students are allowed a 15 minute break per /morning evening. The break is unscheduled.

SEXUAL HARASSMENT

Diva Beauty School is committed to providing a quality environment free of unlawful harassment, discrimination, and unprofessional conduct. Good conduct is expected of all students. Students are to be in compliance with all school rules and regulations. Such behavior includes conduct that is unbecoming, discriminating, harassing, rude, vulgar, profane, disrespectful, inappropriate, or of a sexual nature. Students should use their best judgment in posting material on social media. It is against the institution’s policy to post videos or pictures of the students or staff without prior consent of the individuals.

VISA

No VISA SERVICE IS PROVIDED for international students.
